

This world today is moving so quickly it is exasperating. I think folks are so pushed and constrained with their time, they are unaware of all that is moving past them. The clock never stops or moves backwards, and information that is not even sought, is being hurled instantaneously and consistently, rudely invading and interrupting everyones life.

A snippet here and there of information might garner interest, but most of the sorry flow is designed to captivate and target with intrigue to develop an action that steers people in a predetermined direction. Worse are the ploys that are designed to divide and anger folks into a senseless and violent mob, without reason beyond the manipulated narrative that preys upon people, making them victims of any entity deemed suitable to play the scape goat.

The Religious, Better than you folks, offer Prayers, void of loving concern. The more aggressive entrepreneurial type, actually target the most vulnerable and devastated people offering to Pray for them. However the intent is to Prey upon their vulnerability and desperate situation, manipulating them in many different ways to submit to the false care as genuine.

Beware people, this world is thick with imposters, fakes, false promises, and false gods. Even the Devil Himself is Proud to be your god these days, without hiding his identity. Sadly he has many worshipers who hail Satan as their chosen deity. Secret societies accepting of every religious tag, yet worshipping Baal, and using passwords such as Abaddon (And they had a king over them, *which is* the angel of the bottomless pit, whose name in the Hebrew tongue *is* Abaddon, but in the Greek tongue hath *his* name Apollyon.~Re 9:11) No secret needed these days, except promises of joining this group, or society, will garner advantage over others, receive preference over others, be one of the boys.

Yes, even some churches utilize these tactics to entice and manipulate people. God sent His Son Jesus to become the sacrifice, for whosoever will accept so great a Salvation. Is that offer not good enough? Do we need perfect health, wealth and favor too, during this temporary mortal existence? Folks we deserve Hell, Jesus is the only option of redemption from that penalty. And Hell is not a place to party as you might imagine. Our Father Adam Sinned, and we inherit that sin, and it's penalty, remains, DEATH. The RULE was stated in Genesis chapter two verses 15-17. Just

ONE simple rule, without which no measure could determine obedience. Chapter three tells of the deception and disobedience.

But GOD provided a sacrifice right then and there, and paid the debt for the sin, and explained the new relationship between mankind and God. In time mankind had become so rebellious, God wished He had never made man and vowed to destroy all, BUT GOD saw GRACE in the eyes of our Father Noah.

God chose His people, rescued them from the rebellious, led them, provided for them, gave them laws to follow and they rebelled again, and again. Then, the book of John explains the Gospel in the very first chapter. God even gave us a downpayment for His Promised Everlasting Bodily Life, in Heaven, His indwelling Holy Spirit. (2 Cor. 1:22) Spiritually we receive that inheritance when we Believe. (John 1:12; 5:24)

There is but ONE PRAYER GOD hears from a Sinner, that is a prayer of REPENTANCE. After that, we are to grow in the KNOWLEDGE of THE WORD and God's GRACE. (See 2 Peter 3:17-18) This keeps us from being deceived and used and PREYED UPON by deceivers.

This world is Cruel, Deceptive, Fickle and Fleeting. Know that ETERNITY AWAITS, and during this difficult time we spend as mere mortals, we determine where we will spend ETERNITY.

“Do not marvel at this, for an hour is coming when all who are in the tombs will hear his voice and come out, those who have done good to the resurrection of life, and those who have done evil to the resurrection of judgment.”~Jn 5:28–29

We lay down this mortality and term it death, yet we who are alive in Christ Jesus are instantly with Him in Heaven Spiritually. But yet one day, the graves will all be opened, and the bodies resurrected, as was Jesus Himself. Where are you going to spend ETERNITY? Don't pin YOUR ETERNITY on a hope-so, or maybe I will, or think that a scale might weigh in your favor. GOD GAVE US HIS HOLY WORD, that we might Know and Grow and Go.
