No More Blues

NO.....Blues.....In Heaven

There'll be no blues.... in Heaven

**The only tears up there will be (2nd the) tears
of joy**

There'll be no blues.... in Heaven

Ain't gonna cry the blues no more

When we step on Heavens shore

There'll be no blues... when we get over there

(Tag) There'll be no Blues...

A long sad face will be a thing of the past

Death will never claim our loved ones over there

Wars will all be over, There's Eternal Peace at

last

In that lovely city, bright and fair

No more blues, no more blues

There'll be no blues in Heaven

When we get there, When we get there
