STONE BY STONE

**I was building a life on illusion
But my roof wouldn't keep out the rain
So I to this simple conclusion
That something was in need of a change
Well I fell on my knees and I begged you
To show me how to turn it around
You were right there and you answered my prayer
Said for me to fix it up, it's all gotta come down**

Stone by Stone

**Throwin' away what I've built on my own
I thank you Lord for the Mercy You have shown
Tearin' me down, Stone by Stone**

**Now you have become my Salvation
I'm surrounded by a powerful Love
That will hold me together forever and ever
So Lord just keep, buildin' me up**

Stone by Stone

**Doin' what I couldn't do on my own
I thank you you lord for the Mercy You have shown
Building me up, (1st time skip) (tag) Stone by Stone
With a Peace in place of worry
Grace where condemnation once stood
Patience where I used to hurry
And I'm standing on a Promise
instead of knockin' on wood**
