When we get to Heaven some glad morning
And when we walk with wonder through the gate
Singing groups and Choirs will be forming
Practices will echo every place
Down the streets of gold on every corner
Folks will stop to join the harmony
As Saints from every age
Lift their songs of praise
Can't you just imagine
the time that we'll be having

When we all get to Heaven
And We see King Jesus face to face
(tag) Our halleluiah songs
will go on and on and on
When we all get to Heaven

Even now the Music There has started
And every time GOD calls a singer Home
Though we miss the friends who have departed
They're enjoying songs we've never known
Melodies without a trace of sorrow
Words of perfect peace and happiness
And when we enter in
They will start them all again
Finally all together
We'll sing HIS Praise Forever
